MOVING TO VICTORIA

Melbourne is an easy-living cosmopolitan city offering a diversity of sporting, nature, arts and cultural opportunities. The city boasts great events, a passion for food and wine and a fabulous arts scene. Known as a style-setter, Melbourne is home to a non-stop program of festivals, renowned dining, major art exhibitions and musical extravaganzas.

The Melbourne office of URS is located right on Southbank, offering easy access to cafes, major sporting and cultural events whilst being just a few minutes walk from the central railway station on Flinders Street.

There is a large range of pre-school care for children available in the CBD along with easy access to Melbourne's renowned shopping districts.

Melbourne enjoys manageable summers, glorious springs, mild autumns and crisp winters. With its variable climate, Melbourne is warm to hot in summer (December to February), mild in autumn (March to May), cold and damp in winter (June to August), and cool in spring (September to November).

The property market in Melbourne experienced tremendous growth recently and properties within striking distance of the CBD are predicted to be the strongest performing for the future.
