## MOVING TO WELLINGTON

The URS Wellington office is a friendly and social team located in the heart of Wellington city, an easy distance from public transport, shops, bars, supermarkets, galleries and the waterfront.

Wellington is known as cultural city, with many sporting and cultural events going on all year long. Only a walk distance of the city centre you can visit the Te Papa Museum, walk through the coastline in Oriental Bay or just go for a picnic to the Botanic Gardens.

In fact, there are more than 300 restaurants and cafés located throughout the city, offering the finest food, wine and coffee. The city is also an ideal shopping destination, with a range of local boutiques and renowned chain stores, in an area which can be walked end to end in 20 minutes.
